

Welcome to the Abrams Long-Term Project.

This is private property, open to the public by general invitation.

Property rules, for everyone's enjoyment:

The Abrams Project Property is closed from 10pm to 4am, daily, with no exceptions. No overnight camping.

No motorized vehicles beyond the parking areas.

Exceptions: electric wheelchairs and personal scooters when used by disabled individuals.

Trash: this property is haul in-haul out. Leave not a trace!

Know the WWA property boundaries, and your location. Detailed maps may be found in the kiosks or on-line at: wisducks.org.

Respect our neighboring properties!

No overnight or long-term use of parking lots is allowed.

There are disabled-access hunting blinds available on this property, first-come, first served. Share them respectfully with others.

No cutting of any brush, trees, or limbs, for any purpose, is allowed.

Tree-stands/blinds: commercially built tree-stands and ground blinds may be installed, and left unattended, at your own risk, so long as the hunter's name, phone number, and DNR customer ID are clearly labeled, at ground level, on the stand/ladder/blind.

Stands/blinds must be removed by the 7th day after the close of the late archery season, or they will be removed.

Permanent treestands/blinds are not allowed, and will be removed.

Screw-in tree steps, screws, nails, or permanent anchors of any kind may not be used on the trees on this property.

Trappers: all trap sets must be made dog-proof.

For more information about this project property, see: wisducks.org.
